A blue-skinned alien woman with large, dark, almond-shaped eyes and a slight smile. She is wearing a blue, form-fitting suit with a hexagonal pattern. She is holding a glowing, transparent sphere in her right hand, which contains a detailed image of the Earth. The background is a vibrant red nebula with scattered white stars. In the top right corner, a large, reddish-brown planet is partially visible.

Reviews

Please Review the books you read.

This is important to the authors because it lets them know what they did good and what they did bad. It also gives other readers a heads up on whether you liked the book and some more about it.

Amazon bases a lot of its promotion on reviews. They do matter.
