

Mega Moth (D012)

Who—or what—is attacking Manhattan? As Echo struggles to recover from the Cortians' ravages and Omega deals with severe PTSD, something invades the island of Manhattan, laying waste to Central Park before attacking the city from Hell's Kitchen all the way to the Upper West Side. Animals die, vehicles are destroyed, skyscraper windows are blown out, and buildings are set on fire. Worse, civilians—human and alien—are missing... or dead. Can Echo and Omega even assist? Can Division One stop the Mega Moth before it levels Manhattan? Book 12 of the Division One series. Author: Stephanie Osborn
