

Zargoth

Homeworld of the Zargothians. A kind of super-Earth. As a result Zargothians are a short, squat, dark gray, powerful race from Zargoth, with extremely thick, dense bones, leatherlike skin, and thick muscle; they are matriarchal, and the female maintains a harem. They are sexually incompatible with humans, because it would kill the human; they have a rasping voice, and are sensitive to vinegar (acid burns).
