

Zargothian

A short, squat, dark gray, powerful race from Zargoth; they are matriarchal, and the female maintains a harem; sexually incompatible with humans, because it would kill the human; rasping voice, sensitive to vinegar (acid burns). Due to the extremely heavy, dense, thick skeletal system, there is significantly less room for a brain in the cranium than for most species. As a result, Zargothians are not the brightest bulbs in the light fixture.
