Gliese 581

Home system of the Haepergen.

Gliese 667

Trinary system consisting of Gliese 667A, Gliese 667B, and Gliese 667C.

Gliese 667

Gliese 667A

Gliese 667

Gliese 667B

Gliese 667

Gliese 667C

Groombridge 34

Home system of the Pinnipeds.

HD 10442

A star system, home of the Virmergin on HD 10442b.

HD 156411

Home system of the Kaceerlon.

HD 21749

K'hardugsin

Kusheer

Home system of the Skulians.

Lambda Andromeda

Star system containing Alaygoo (Lambda Andromeda III). Home of the Alaygoons.

Luyten's Star

Home system of the Exinulans. See also https://en.wikipedia.org/wiki/Luyten%27s_Star

Mu Phoenicis

Also known as μ Phe. The artificial resort planetoid Doukeed is located in this system.

Myarana
