

# Tour de Force (DO4)

Nothing is ever as it seems... Alpha One is participating in a first-contact diplomatic operation with the Cortians—Omega's first. Unfortunately, it's going to split the team—the stringent 'exchange' requirements narrow the list to...Echo. PGLEIA's top Division One Agent, the man being groomed to be the next Director...and Omega's partner. A plum assignment, for the pick of the crop. But Omega doesn't see it that way. She's determined to stop the mission from going forward. At any cost. Why is Omega trying to scuttle a diplomatic mission? Is something bigger, more menacing, happening to her—to them? Will—CAN—Alpha One survive? Book 4 of the Division One series.
