

Tourist Trap (DO11)

The Cortians are back, and they want Echo. After months of “playing target,” the heads of the Alpha Line special forces department, Alpha One—Agents Echo and Omega—finally take a very special vacation on Tiniken, the “Eden planet,” for some much-needed R&R. The pair kick back, relax, and play tourist, exploring this lovely alien world together. But when they unwittingly cross paths with a Cortian slave ring and the Cortians recognize Echo as “Cortian Enemy Number One,” he becomes their next target, and “Eden” displays a seamier side. Can Omega and the rest of Alpha Line find Echo before he is sold as a slave... or worse? Book 11 of the Division One series.
